## Exterior Cladding Boards

The weatherboarding is a custom order item, Fresh Sawn from Oak, WRC, Larch and Douglas Fir to your specifications. There are three main options depending on your requirements; Feather-edge, Square-edge and Waney-edge. The price is governed by the specifications but some examples are:

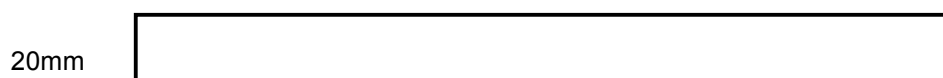

### Featheredge

Size of board	Volume cuft/m <sup>2</sup>	Oak £/m <sup>2</sup>	Oak £/ l m	WRC £/m <sup>2</sup>	WRC £/ l m	Larch £/m <sup>2</sup>	Larch £/ l m	Doug Fir £/ m <sup>2</sup>	Doug Fir £/lm
25mm x 100mm	0.79	22.13	1.66	13.43	1.01	11.70	0.88	10.11	0.76
25mm x 125mm	0.71	18.50	1.85	12.10	1.21	10.60	1.06	9.00	0.90
25mm x 150mm	0.67	17.60	2.20	11.36	1.42	10.00	1.25	8.56	1.07
25mm x 175mm	0.69	17.99	2.70	11.79	1.76	10.26	1.54	8.84	1.32
25mm x 200mm	0.68	18.28	3.20	11.51	2.02	10.09	1.77	8.66	1.52
25mm x 225mm	0.64	17.50	3.50	N/a	N/a	N/a	N/a	N/a	N/a

Prices are exc.VAT based on using 32mm plank cut in two to produce 25 x 5mm board and a 25mm overlap in lengths up to 2.99m.

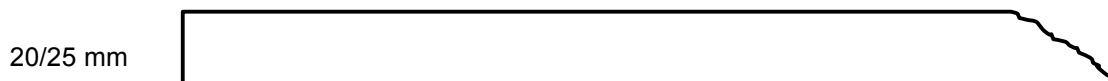

### Square Edge

Size of board	Volume cuft/m <sup>2</sup>	Oak £/m <sup>2</sup>	Oak £/ l m	WRC £/m <sup>2</sup>	WRC £/ l m	Larch £/m <sup>2</sup>	Larch £/ l m	Doug Fir £/ m <sup>2</sup>	Doug Fir £/lm
20mm x 150mm	0.847	26.59	3.32	17.28	2.16	15.12	1.89	12.96	1.62
20mm x 200mm	0.807	25.31	4.43	13.68	2.40	11.97	2.10	10.26	1.80

Prices are exc.VAT based on using a 25mm overlap and lengths up to 2.99m.

### Waney Edge (with bark still on)

Supplied with one straight edge, one waney (ie; with bark and sap wood). In the softwoods expect widths of 150- 200mm and in the hardwoods expect widths of 200 -350mm. Lengths are usually random, around 2.4m - 3.5m.

<b>Guide Prices For Waney edge</b>	Oak £/m <sup>2</sup>	Chestnut £/m <sup>2</sup>	Elm £/m <sup>2</sup>	WRC £/m <sup>2</sup>	Larch £/m <sup>2</sup>	D.Fir £/m <sup>2</sup>
20mm thickness	29.00	29.00	31.00	18.00	15.00	15.00
25mm thickness	35.00	35.00	37.00	22.00	18.00	18.00

The prices above take into consideration the variations in width due to the waney edge when working out overlap. This is not standardised and should be worked out on each custom order.

We can also supply some of the same materials air dried in alternative machined profiles for specialist cladding projects. Call or email us for a quote or come and see samples at our demonstration building.
